# IT DON'D ON ME

## FREEDOM

by Rev. Dr. Don Welsh

The month of July reminds us of the freedom that celebrates the founding of our nation. Freedom implies the nature of choice. We have the freedom to choose how we live our lives. We want to be able to live at the level of prosperity we choose the kind of house in which we live, the level of wellness we choose to experience, and .the what we believe.

Some people even suggest you can choose your parents. You therefore even have the choice of the lifestyle you live. Every person you encounter and every experience you have is a result of your freedom of choice. You get to believe in God or not. Your life is blessed and you are a blessing.

In Light and Love,

*Dr. Don*
