# August: A World That Works for Everyone

*(Learning To Exercise A Higher Will)*

**Value: Love, Compassion and Caring: We embrace Love as the Self-Givingness of God to all creation, moving through us into expression as compassion, caring, mutual respect and kindness. We express interest in and support for the well-being of ourselves and others. We express unconditional love when observing the suffering of others and do what we can to give aid and show compassion.**

Dear Center for Spiritual Living  
Inland Empire Family,

I love the song Something's Calling Me A Little Bit Deeper Than I Have Ever Been Before by Jami Lula. I believe the call is an exercise in a Higher Will. In the study of the 12 Powers we learn that Will is the ability to lead, decide and choose from a high place.

Another way of understanding Will is to contemplate the Will of God. It is so appropriate when we focus on A World That Works For Everyone (Learning To Exercise A Higher Will). It allows for unconditional love to fulfill Itself in all of humanity. It is also a pattern of Wholeness, an exercise of the Christ Principle. It empowers us all and allows us to be instrument or a Power for Good. How does this relate to Will? Winifred Wilkinson Hausmann, wrote an article entitled Reeducate Your Executive Faculty. In the article he writes:

***"It is our job in developing our God-given potentialities to reeducate the will, the directing power of our mind, to teach it to become receptive to spiritual motivation, rather than to goals determined by our materialistic pursuits alone."***

With this in mind I invite you to open your heart and mind to new ways of approaching life. I invite you to embrace the question that a teenagers asked

many years ago when preparing for a tern camp asked. The whole camp focused on the question "What Would God Do". I must say it was a profound camp even for me serving as an adviser. So I invite you in the coming month to ask yourself this question when confronted with hardship or suffering in our lives and in the lives of others.

I also invite you to pause and allow yourself to respond from the Vibration of LOVE. Allow it's Wisdom to motivate your choices as oppose to fear and suffering. So I offer this affirmation and invite you to use it as your mantra this month. Read it and speak it out loud when confronted or challenged that the world may not working be for you or someone else.

**The Christ of God is alive within me.**

**It is God's Will in this situation.**

**It guides me and directs me.**

**I Am Grateful For The Good That Is At Hand.**

**And so it is. Amen.**

Keep yourself open and expect your words to have power and allow them to empower your world for good.

Love, Peace and Blessings

*Reverend Jerry*
