MONTHLY SPIRITUAL MIND TREATMENT

January : Living the Science Of Mind

"...Right ideas, correctly used, can produce right conditions."

Ernest Holmes

Dear Beloved Center for Spiritual Living
Inland Empire,

Happy New Years! It is with honor that I introduce our annual theme of the year "100 Years Of Science Of Mind". This year we get to celebrate the power of these teachings in a special way. We get to revisit them with new eyes, new ears, and a new sense of awareness that support us in living healthy and prosperous lives.

This year we get to take our lives into the lab of life and apply principles and prove them through spiritual practice. Ernest Holmes, then founder of this philosophy was a master at spiritual practice. We get an opportunity to follow him in our application and prove the validity of these teaching. We start first by applying the power of prayer and it's Principle in our understanding. I invite you to turn within with me right now...

The Prayer: There is only one Life.
That Life is God's Life. That Life Is perfect.
It is the power of Love...the power of Peace...
it is Joy and it is Wisdom.
It is everywhere present,
--in all things and everyone.

It includes me. I Am Love... I Am Peace... I Am
Joy and I Am Wisdom.. That one Life is my
Life now.

I celebrate that life with the application of God Principles. I magnify these Principles Through the wisdom of the ancient and timeless teachings of Truth. It reveals itself in practical ways in my life and through humanity. I allow the wisdom of these teachings to grow within me... I allow for my understanding to grow and for Love to overflow from within me. It out pictures as perfect Good.

I am grateful for the power of Good expanding within me. I am thankful for the swell of these teachings in my experience and my receptivity of Good. It is magnified and it touches my life in personal and profound ways. I am blessed beyond that which I ca not imagine... this is God in action.

I release these words into the Sacred Yes, Universal Law knowing it is all complete. I affirm it with the sacred words... And So It Is. Amen.

I invite you to keep this prayer close and two affirm it out loud several times daily so that you can remember and hear your Truth.

Reverend Jerry
