“Prepare your mind to receive the best life has to offer.” Ernest Holmes

“Bloom and Grow”

Reverend LaVonne Rae Andrews & Dr. Don Welsh

“Love On” with Rev.. LaVonne

This past month serving as your co-ministers has been amazing in so many ways. We were welcomed with open arms and have already made friends with most of this loving congregation of enlightened souls.

It's important that we keep an open line of communication. When you consult your inner Spirit, please let us know any suggestions, changes or ideas that can further enhance our beautiful Center. Although growth is important for our financial well-being, it's of more value to touch the lives of those who can be enlightened by the wisdom of Ernest Holmes and other New Thought souls who continue to bless our individualized paths.

The famed humorist, Will Rogers is reputed to have said: “I never met a man I didn't like.” That's how I feel here at the Inland Empire Center for Spiritual Living, however, I'd say: “I have met women, men and children, all who are Spiritual Beings and all of whom I already love!” And so it is.

“It Don'd on Me” by Dr. Don

Our monthly theme is “Bloom and Grow.” While that seems like a good affirmation to command our flower gardens to blossom, it's also a great way to think of ourselves and our ability to be all we're meant to be.

As I affirm “Bloom and Grow” to myself, I open to the possibility of expressing my life more fully and living from the potential empowerment within. As you claim this for yourself, I look forward to welcoming you to the fullness of life of which you are capable.

When you show up at the Inland Empire Center for Spiritual Living on a regular basis, you place yourself in a position of growing into your full potential. May you bloom and grow.

In Light and Love,
Dr. Don
