The Still Small Voice Within

I am directed, guided and protected by a Still Small Voice Within me. I listen for this voice and respond accordingly.

I listen in the silence and I understand my responsibility. Here, now, in this moment I have a direct connection to the Infinite.

My mind and the Mind of God are One Mind. I am surrounded by the Source of all creation and this Source responds to my thought.

I open my arms to abundance and it appears. I speak my word of healing and I am healed. I live in Harmony with all of life. I am a creative being living in a creative world.

I give great thanks to this Still Small Voice for its wisdom. I appreciate the system that works in me as me and through providing my spiritual good.

I am grateful and accepting of all the good things in my life. I release this treatment by saying And So It Is.

*Love in Light,
Reverend George*
