# September: finding a heart & order towards service

*Allowing God Ideas to Expand In Our Human Experience*

**Value: Love as Community Service: We dedicate our time, talent, treasure and expertise to the healthy and joyful evolution of our spiritual community, the community in which we live and the greater community of the world.**

Dear Center for Spiritual Living  
Inland Empire Family,

Mahatma Gandhi says, "The best way to find yourself is to lose yourself in the service of others." I write this as we rally together in unity after a week of dealing with Hurricane Harvey. We pray for our family and friends in the Houston area and all that are touched by the storm. We also open our hearts and respond in practical ways supporting everyone impacted. That is why I love our monthly theme which is "Order & Hearts of Service". We have opportunities to serve our spiritual community, the community in which we live and the greater community of the world. That is why I am inviting you to join us in praying for everyone impacted in Houston, our Spiritual Community's Raise the Roof Campaign, and the San Bernardino Community. Our focus is Order, Balance and knowing "All Needs Are Met". So I invite you in joining in reading this prayer daily over the next month and joining a collective for Good in the world.

### The Prayer

I turn within and focus on the Power for Good. Knowing it is everywhere and in every situation. It is Peace, Harmony, Balance and Life overflowing. It reveals itself in our eco system and nature. It reveals itself in our infrastructure and in humanity. This is God fulfilling itself in Life.

It is alive within me. I am an instrument for Good. God ideas expands and fulfills itself through me. I am used for Good.

So I speak my word today knowing that my words are powerful and fulfills itself were ever I take my attention. So I know God as Divine Order in my life. I am Balanced

and "All Needs Are Met". This includes self fulfillment and sharing my gifts, treasures and talents with the world.

In this knowingness I allow my heart to stay open in my sharing of my time, treasures and talents. I allow for the inspiration of God to fulfill itself as Divine ideas. . . I allow for Spiritual principle to deepen within me and be my way of being and living. I acknowledge this as my way and my service in the world. I affirm this as my experience and my joy in my home and in my spiritual home with Center for Spiritual Living Inland Empire. A power and presence has gone before me and prepared the way. I am lifted up and this Center is lifted up. I show up as a beneficial Presence in my Spiritual Home creating a foundation for our evolutionary growth. It shows up in practical ways with a Raise The Roof Campaign, Urban Garden Project and other calls to service were I can shine light. It fulfills itself in San Bernardino as we partner with other group and share love through our resources and talents. It expands in the world everywhere and particularly in Houston Texas and all the areas touched by Hurricane Harvey. People are lifted up and my sharing of prayers, service, and treasures makes a difference.

I am grateful for I know my response is always Love and it returns to me multiplied. I am fulfilled and Good abounds me and the world. I Am thankful for my Growth and Understanding about Life, Order, Balance and Love. Infinite possibilities abound me and I get to co create in this thing called Life. I release this no into Universal Law knowing that I Am a Blessing and Blessed. I allow it to do its perfect work and So It is. Amen.

Love, Peace and Blessings

*Reverend Jerry*
