### **OUR MISSION**

Teach spiritual principles, spiritual tools and practices.  
Provide a spiritual home that offers an opportunity for all to participate and share their unique gifts. Partner with other organizations to create solutions and contribute to the health and well-being of our community.  
Provide facilities and an environment that supports our vision.

## “New Day’s Lyric”

“What was cursed, we will cure.  
What was plagued, we will prove pure.  
Where we tend to argue, we will try to agree,  
Those fortunes we forswore, now the future we foresee,  
Where we weren’t aware, we’re now awake;  
Those moments we missed  
Are now these moments we make,  
The moments we meet,  
And our hearts, once all together beaten,  
Now all together beat.”

**Amanda Gorman**

And so, we acknowledge the chaos and very unstable nature of 2021 but we want to move ahead. And Maya Angelou in her poem “Human Family”, encourages us. “To be a family, a country, doesn’t necessitate that we be the same or agree on everything, only that we continue to try to see the best in each other and move forward into a shared future. Whether we like it or not, we are in this together.” Together we step into a new year filled with light.

We move ahead looking and taking in all the wonder of Spirit as we encounter the Divine.
