Growing in Wisdom & Expanded Horizons

Value: Spiritual Living through Education and Continuous Improvement:

We walk a path of awakening, growth and spiritual deepening through classes, workshops, seminars and spiritual practices that allow us to embrace education as a lifelong endeavor.

We consistently welcome more and more of the Divine Nature to be realized within us and revealed through our relationships, our decisions and our contributions to the world.

Dear Center for Spiritual Living Inland Empire Family,

Last month we celebrated the power of "Strength" and the value of being inclusive with the diverse expressions of Spirit. This is all part of our year long theme, Values Based Spiritual Living. This month's theme is "Growing in Wisdom And Expanded Horizons." We are using the power of Wisdom in the context of spiritual awareness, discernment, and enlightenment which requires discipline, for us to be teachable and apply right judgement. It is written in the Biblical Scriptures:

**"Stop judging by mere appearances,
but instead judge correctly." John 7:24**

Emma Curtis Hopkins reminds us:

*"Sight, beauty, strength, wisdom, lighted by one
touch of divine fire cannot be stopped or limited..."*

*Keep your eye on the Eternal,
and your intellect will grow."*

I Offer This Prayer on Growing in Wisdom & Expanding Your Horizons:

I Breathe... I exhale... I honor the Eternal... I behold the nature of the Divine... It's strength... It's beauty... It's inherit Wisdom moving through all of life. ...Shining through the sun and reflecting through the moon... all Light with purpose and intention...

I Breathe... and I exhale... I honor the Eternal that is within me. It is the same that is within all. It is the Divine... Beauty, Strength, Power...and Wisdom unfolding from within me. I Am one with the Divine Nature of Life.

I Breathe and allow Its nature to expand within me right now... I allow It's unlimited expression of Wholeness and Creativity to reveal Wisdom and Truth through me and my affairs. I Breathe and I remember... The nature of Peace is within me... The nature of Wholeness radiates in my body... my emotions... and my relationship with all. I Breathe... I remember... Abundance and Prosperity is born from within me... These truths are the One Truth... Nature is fulfilling itself through me and the world.

I Breathe... And I live in Gratitude... The nature of the Divine is the seed implanted within me. ...It is the seed of Wisdom lifting me up and creating a space of Vision and Discernment. I Am grateful... I Am on the path of Enlightenment and Good fulfills itself in my life.

I release these words and thoughts into the "Sacred Yes", Universal Law allowing it to do its perfect work. ...And so IT is. Amen.

Reverend Jerry
